I lost twenty-five pounds. Words can not describe my feeings, I saw Warner's Safe Care advertisement and asked a physicism about it. He said it would do me no good and left me more of his own needline which I did not take, but took Warner's Safe Cure and six bottles cured me. I have regained my twenty-five bounds and feel as well as I ever did. I can not say too much in praiso of Warner's Safe Cure for liver and kidney diseases."

Physicians look with great favor upon the Perunid Pile Cure, because it is rapidly taking the place of surgical operations and lecourse it is so simple, as easily applied, and contains no mineral or other polyons so commonly used in pile cures. Dr. Esterbrook reports that the Pyramid Pile Cure not only cures the various forms of Piles, but never falls to give impellinte relief on the first application, no matter how severe the pain or discomfort may be.
